

*Be part  
of the solution!*

**Community  
Brainstorming:**  
Princeton Place Access  
to Montgomery College

**Monday, March 16**  
7:30 p.m.

**Rockville Library**  
Town Square  
21 Maryland Avenue  
First Floor Meeting Room

*We hope to see you there!*

*Since the Montgomery College campus became “tobacco-free,” students have been gathering and smoking at the Princeton Place cul-de-sac.*

To provide neighbors with immediate relief from the difficult conditions, the College will close the fence at the path connecting the campus to Princeton Place, impacting residents who walk and cycle to the campus.

**You are invited to a community meeting on March 16 at 7:30 p.m. to share your ideas and have your questions answered.** Roll up your sleeves and participate in a community effort with neighbors, pedestrians, cyclists, students, College and City staff. Explore options that both maintain the quality of the neighborhood and offer pedestrian and bicycle access to the campus.
